KETCHIE CREEK

BAKERY • DELI • COFFEE

we are family

After purchasing Ketchie Creek Bakery & Cafe in 2008, husband and wife team Gerald and Renna Welborn wanted to maintain its tradition and influence within Mocksville and the surrounding area.

Having a young family themselves, they realized the importance of a strong and thriving community ... and they desired to preserve Ketchie Creek's deeply rooted reputation as Davie County's premier bakery and cafe while exploring new ways to meet the needs of their customers.

In 2020, Renna and Gerald opened a much-anticipated second location in Clemmons. They are immersed both personally and professionally in the area, are active in the local business communities, and support many non-profit and charitable organizations throughout the Triad.

The Welborns' passion for their products, their employees, and their customers sets them apart. Their desire to create a warm, welcoming atmosphere while providing the highest quality food and drinks has made Ketchie Creek a household name throughout the Triad. They are devoted to creating a family-oriented work environment and know that their faithful employees are truly their greatest assets.

Above all, the Welborns seek to serve their loyal customers and remain grateful for their support in helping them grow and continue the tradition of Ketchie Creek within the wonderful towns of Mocksville and Clemmons.
